Short Description

New Zealand MIP Colostrum is a pure and undiluted bovine colostrum. The enhanced biological activity helps you strengthen your immune system, fights viruses, bacteria and parasites, helps better your digestion, bowel function, tissue building and gives you faster recovery in fitness and sport.

Why buy MIP Colostrum

- 100% pure and undiluted – many others dilute colostrum with up to 80% skim milk powder.
- Same day processing – ensures highest biological activity compared to batch frozen colostrum.
- Year round outdoor grass fed – ensuring nutritious colostrum from happy and healthy cows.
- Gently processed – preserving the bio-availability of all nutrients.
- Clean sourced – Free of rBST, Antibiotics and GMOs
- New Zealand is one of the cleanest places on earth.
